WINEMAKER'S NOTES

The Leras Family Vineyard, located in the heart of the Russian River Valley off Woolsey Road, is planted with Pommard clones that are approximately 12 years old, as well as newer vine clones 115, 667 and 777. This vineyard embodies earthiness and minerals, the signature of Pinot Noir grown in the Russian River Valley.

We have carefully refined our winemaking techniques in a way that defines our unique Pinot Noirs, separating the grapes by clone during fermentation and aging. This gives us many more blending options. We cold soak the grapes two to three days before adding several different types of yeast, cultured specifically for Pinot Noir. During the seven to twelve days it takes to ferment, we hand-punch each fermenter, sometimes as often as five or six times a day to ensure that the temperature doesn't get too warm. Once the juice is fermented, we press the fruit and move the wine into Francois Frères French oak barrels, and then age for 11 months before bottling.

TASTING NOTES

Garnet red in color leading to a highly aromatic nose of Bing cherries, plum, and smoke. The entry is velvety on the palate with rich flavors of cherry, cassis, and hints of strawberry giving way to earthy minerals, and toast. The wine is medium-bodied, lush and extremely well balanced leading to a long, persistent fruit-driven finish.

Drink now through 2011
